

# VOLUNTEER SPOTLIGHT

## AMANDA TIRADENTES

OCTOBER 2022, PRO BONO WEEK

### ABOUT AMANDA

Celebrate Pro Bono Week 2022 by learning about an outstanding HAP volunteer, Amanda Tiradentes.

Amanda serves as the Office Coordinator for the Philadelphia office of Hogan Lovells LLP. Amanda was a legal assistant in the litigation department for 5 years before transitioning to her new role in the firm in April 2022.

Amanda was drawn to Hogan Lovells in part because of the opportunity to work on HAP cases and serve the Philadelphia community.

### VOLUNTEERING WITH HAP

Amanda has volunteered with HAP since her first day at Hogan Lovells. She really enjoys connecting with HAP clients and local case managers.

One of her favorite cases was a Social Security claim that won on appeal after 3 years. Amanda's client was in assisted living with severe leg impairments that prohibited them from working. Amanda found working with this client and their case manager for several years to be a truly humbling and uplifting experience.

Amanda has continually shown incredible enthusiasm and compassion for HAP clients. Amanda recently coordinated and hosted a birth certificate clinic with HAP for Hogan Lovells volunteers. As a result of her efforts, volunteers handled 32 birth certificate cases for HAP clients.

HAP Senior Staff Attorney Pat Malley says: Amanda has been THE critical link between HAP and Hogan Lovells for many years. She keeps us on track and always remembers to celebrate our victories along the way. Her incredible oversight and her care and compassion for our clients is hugely appreciated. I am honored to work with Amanda.

**THANKS AMANDA AND HOGAN LOVELLS  
TEAM FOR SUPPORTING HAP CLIENTS!**

"I VOLUNTEER WITH HAP BECAUSE I KNOW THE IMPORTANCE OF HAVING SOMEONE ADVOCATE FOR YOU. NO MATTER THE REQUEST, EACH HAP CLIENT TRULY NEEDS SOMEONE TO ADVOCATE FOR THEM."
