

VOLUNTEER SPOTLIGHT

WANDA TODD

NOVEMBER 2022

ABOUT WANDA

Wanda Todd is a receptionist at Steve Harvey Law LLC and an exceptional HAP volunteer.

At Steve Harvey Law, Wanda speaks with and reviews emails from potential clients and handles general office tasks such as banking, mail deliveries, consultations, and tracking client status.

Wanda learned about volunteering with HAP through former longtime HAP board member Steve Harvey. Steve served on the HAP board for an incredible 15+ years.

VOLUNTEERING WITH HAP

As a HAP volunteer, Wanda regularly helps HAP clients obtain birth certificates, which in turn allows them to apply for employment and access housing and benefits.

Wanda describes her volunteer experiences as gratifying: The best part is when I have worked on obtaining a birth certificate, received calls and/or correspondence from various entities asking for additional information and, in a week or two, I receive the birth certificate in the mail. Yes, success! I did that!

HAP Volunteer Coordinator Maggie Oberkircher says: Wanda is a critical and dedicated member of the HAP volunteer team. Her consistent efforts to secure vital documents for HAP clients have a huge impact, and she brings a great energy to the HAP office whenever she drops off birth certificates for clients.

THANK YOU, WANDA, FOR HELPING HAP CLIENTS!

"I enjoy helping those experiencing homelessness to move one step closer to permanent housing."
