

MEDICAL SOURCE STATEMENT REGARDING THE NATURE AND SEVERITY OF MEDICAL IMPAIRMENT(S)
WITH RESPECT TO WORK-RELATED MENTAL ACTIVITIES

NAME: _____

SSN: _____

DOB: _____

Please provide your opinion based on your professional judgment of how your patient's medical impairment(s) affect the ability to meet the following mental demands of work, ***independent of any effect from alcohol and/or illicit drug use.***

A. For each demand, please use the following definitions to identify the patient's ability:

Excellent..... Not limited or only mildly limited

Satisfactory..... Moderately limited, but sufficient for an 8-hour workday & 5-day work week

Markedly Limited..... Ability exists, but not sufficient to complete an 8-hour workday & work week

Severely Limited..... No useful ability

<u>Demand</u>	<u>Excellent</u>	<u>Satisfactory</u>	<u>Markedly Limited</u>	<u>Severely Limited</u>
Understand and remember short, simple instructions	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Understand and remember detailed instructions	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Maintain attention/concentration	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Sustain an ordinary routine without special supervision	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Work with or near others without being distracted	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Make simple work-related decisions	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Complete a normal workday or workweek	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Deal with work stress	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Interact appropriately with the public	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Perform activities within a schedule	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Fulfill quota or production requirements	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Get along with co-workers and peers	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

B. DIAGNOSES: _____

SIGNS/FINDINGS:

- | | | |
|--|--|---|
| <input type="checkbox"/> feelings of hopelessness | <input type="checkbox"/> flight of ideas | <input type="checkbox"/> lack of insight |
| <input type="checkbox"/> feelings of worthlessness | <input type="checkbox"/> tearfulness | <input type="checkbox"/> pressured speech |
| <input type="checkbox"/> mood disturbance | <input type="checkbox"/> social immaturity | <input type="checkbox"/> agitation/irritability |
| <input type="checkbox"/> feelings of helplessness | <input type="checkbox"/> attention difficulty | <input type="checkbox"/> anxiety |
| <input type="checkbox"/> obsessive-compulsive behavior | <input type="checkbox"/> poor judgment | <input type="checkbox"/> memory difficulty |
| <input type="checkbox"/> concentration difficulty | <input type="checkbox"/> paucity of ideas | <input type="checkbox"/> frustration |
| <input type="checkbox"/> psychomotor retardation | <input type="checkbox"/> decreased energy | <input type="checkbox"/> low self-esteem |
| <input type="checkbox"/> visual hallucinations | <input type="checkbox"/> auditory hallucinations | <input type="checkbox"/> appetite change |
| <input type="checkbox"/> hypervigilance | <input type="checkbox"/> motor tension | <input type="checkbox"/> anhedonia |
| <input type="checkbox"/> autonomic hyperactivity | <input type="checkbox"/> vigilance and scanning | <input type="checkbox"/> tangential thinking |
| <input type="checkbox"/> sleep pattern changes | <input type="checkbox"/> hyperactivity | <input type="checkbox"/> inappropriateness |
| <input type="checkbox"/> paranoia | <input type="checkbox"/> delusional thoughts | <input type="checkbox"/> intrusive memories |

Other: _____

- | | <u>Yes</u> | <u>No</u> |
|---|--------------------------|--------------------------|
| C. Does your patient's mental impairment(s) and symptoms distract the patient from successfully completing tasks in a timely manner consistently over the course of a full-time workday? | <input type="checkbox"/> | <input type="checkbox"/> |
| D. Does your patient have a residual disease process of at least 2 years duration that has resulted in such a marginal adjustment that even a minimal increase in mental demands or change in environment would be predicted to cause the individual to decompensate? | <input type="checkbox"/> | <input type="checkbox"/> |
| E. Does your patient have a current history of 1 or more years' inability to function outside a highly supportive living arrangement, with an indication of continued need for such an arrangement? | <input type="checkbox"/> | <input type="checkbox"/> |
| F. On the average, do you believe your patient's impairment(s) or treatment(s) would cause them to be absent from work <i>more than</i> 2 times a month? | <input type="checkbox"/> | <input type="checkbox"/> |
| G. Can the patient manage their benefits in their own best interest? | <input type="checkbox"/> | <input type="checkbox"/> |
| H. Are the above impairments the result of mental illness and not due to drug or alcohol use? | <input type="checkbox"/> | <input type="checkbox"/> |
| I. The patient's impairments have existed and persisted as outlined above since at least _____ | | |
| J. Additional Remarks (include any medications you are prescribing): | | |
